**SHORTSTOP DYER SHOWS UP WELL AT GIANT'S CAMP**  
Looks As If McGraw Will Retain Him.

Shortstop Dyer, who has steadily shown very promising possibilities, again distinguished himself in the practice game between the Dallas Rangers and the "Matys" by making a home run and by playing a brilliant holding game at shortstop.

Of course it will be all up to McGraw to decide Dyer's real worth, but as he looked good to everybody in the training camp, he will surely be retained.

The game was won by the still undefeated Rangers, 2 to 1, who had the services of Promme and Schauer as boxmen. Schauer was in the box two innings and two singles and a triple were corralled off his shoats.

Arthur Fletcher took part in morning practice by chasing balls hit into right field, and made two right-hand catches that showed his eye was good, even if his injured left hand was useless.

Cooper was on the mound which gave the impression that he liked the looks of the young man who was purchased from the Petersburg club of the Virginia League.

Cooper received his baseball training while in the United States navy. He was attached to the Naval Training Station, Norfolk, Va. He makes his home in Atlanta, is 20 years old, 6 feet in height, and weighs 170 pounds. He is right handed, but bats left handed, and was considered one of the best sluggers in the Virginia League.

Cooper worked for more than a half hour on the pitching mound. The New York batters found it difficult to hit his curve balls. He also has a "fast one" which caused a great deal of comment among the New York players.

Fred L. Lowe of Utica, one of the most noted golfers in the United States, has been secured by the Worcester country club to take charge of the links as professional coach and will meet the members.

soul out of you for such a long time. Drop everything else and use "GETS-IT." A few drops applied in a few seconds does the work. Useless junk, like flesh-eating salves that make corns swell, corn rings that make corns stand up like pop-corns, razors, corn diggers, cutters and files that make corns grow faster, are all done for. "GETS-IT" is on a new principle, makes corns shrivel, vanish. It can't stick to the stocking, or hurt the flesh.

## PITCHIE RETAINS HIS TITLE

### Outboxed Wolgast in 10 Round Battle—Forced His Opponent to Take the Count of Four in Seventh Round—Fighting Fiercely When Final Gong Rang.

Milwaukee, Wis., March 12.—Willie Ritchie, lightweight champion of the world, earned a shade over Ad Wolgast, former champion, in their ten-round bout here tonight.

The champion outboxed the Michigan boy in five rounds and in the seventh had Wolgast backing away from his punches. Wolgast sank to the floor when Ritchie landed a shower of blows on his stomach and took the count of four. He later rushed at the champion, but Ritchie danced away from him.

Twice during the bout Wolgast was warned by Referee Stout for his rough work in the clinches. In the eighth and ninth rounds Ritchie clearly outboxed the former champion.

When the champion and the challenger came to the center of the ring for the first round they wasted little time in sparring for openings. Wolgast bored in to close quarters at once and found the champion yielding to meet him at that game. Wolgast secured a shade the better of the first round, playing largely for Ritchie's body.

The champion's left jab was much in evidence, but Ad covered well. Ritchie increased the pace in the second, which was his round, and had the Michigan boy's mouth bleeding in the close when he landed a right swing to the jaw and followed with right and left to the face. Wolgast broke ground. The third was even, with Ritchie sending swift short jabs to Ad's face and the former champion playing for the body.

Wolgast Takes Fourth and Fifth.

Wolgast, crowding to close quarters, had the better of the fourth and fifth rounds. Ritchie's jabs and hooks to the head did not stop him, and he landed several hard rights and lefts to the Californian's body, varied with an occasional jab to the face. Ritchie, however, had the sixth round in good margin. Wolgast missed several hard swings and the champion smothered his rival with a fusillade of snappy punches to the head, ending the round with a stinging right swing to Ad's nose.

Wolgast Sent to the Floor.

Ritchie checked Wolgast's rush in the seventh with a hard left, a terrific right swing to the face and a left to the solar plexus which sent Wolgast down for the count of four. He slowed Wolgast with swings in an effort to put him out.

Ritchie also took the eighth, opening with the usual left jabs and selling Wolgast with a hard right and left to the ribs.

Ritchie Strong at the Finish.

Ritchie continued to hold the lead in the ninth. His blows were the cleaner and he landed oftener than Wolgast, who was warned for rough work in the clinches. Wolgast made a desperate effort in the tenth and held the champion even on points, but his punches lacked steam. Ritchie staggered him with a right uppercut.

Wolgast rushed at Ritchie at the opening of the tenth and sent his right and left to Ritchie's face and body, but the coast boy did not get ground and met Wolgast with right and left jabs to the jaw. Both boys were fighting fiercely when the bell rang.

## NORWICH TEAM SWAMPED.

Met with Defeat at Jewett City—Score 31 to 15.

The Jewett City five completely outplayed the team from the local Y. M. C. A. Thursday night in basketball at Jewett City. The final score was 31 to 15. The first half of the game was quite fast and the teams seemed evenly matched, but the Norwich team lost their speed in the last half and they had many fouls called. Burry and Benjamin of Jewett City had their eye on the basket each shooting baskets. The honors for Norwich were evenly divided between Hull, Stanley and Robinson. In the preliminary match the Mighty Five of Jewett City defeated a team from Plainfield by the score of 12 to 6. The lineup and summary are as follows:

**JEWETT CITY.** Charnetski, Hull, Robinson, Stanley, Benjamin. **NORWICH.** C. Benjamin, Right Forward, Robinson, Right Forward, Heneault, Left Guard, Stanley, Left Guard, Jewett City. Goals, W. Benjamin 4, Burry 4, C. Benjamin 2, L'Hourey 1, Melvin 3, foul, W. Benjamin 1, Norwich field goals, Hull 2, Stanley 2, Robinson 2, Charnetski 1, foul Hull 1.

## FINANCIAL AND COMMERCIAL

**MARKET SAGS.**  
Decline Due to Lack of Support Rather Than Bear Pressure.

New York, March 12.—Bullish speculators apparently lost all interest in the stock market today, and it sagged of its own weight. Distinct weakness developed in spots, but in a majority of cases the movement was not large. The decline was due to lack of support rather than to active efforts to force down prices. Trading was dull, with no evidence of severe pressure on the general list, although a few stocks reflected persistent selling.

Canadian Pacific was sold by London, Berlin and Montreal and touched a figure three points under yesterday's close. European selling was resumed also in some of the low priced railroad shares. The Denver and Rio Grande issues sold at the year's low marks. Rock Island common went to 4 1/8 and the preferred to 3 3/4, both new low records. Norfolk Southern dropped five points owing to uncertainty as to the coming payment of dividends. Among the industrials the sugar stocks again sagged. American Sugar dropped to 97, the lowest figure since 1908. Express shares sagged sharply following the downward cut in the American Express dividend rates.

There was little in the day's news to influence prices, except the stock trade came reports of price shading. The financial requirements of some of the weaker railroads and industrial concerns continued to find reflection in the stock market. Traders thought it improbable that speculation on a large scale would be resumed until some of the puzzling features of the present situation were cleared up. The Rock Island and New Haven tangles, the prolonged uncertainty regarding the Mexican question and the indefinite negotiations of business conditions all tend to confuse sentiment and restrict speculative activity.

In the bond market the movement was similar to that in stocks. Prices in most cases were shaded and severe losses were recorded in various low grade issues. Total sales, par value, \$2,275,000.

United States bonds were unchanged on call.
